Partner Services

To compliment our core offer, students can also access **support from our partners:**

Help build independence and confidence by:

- free one to one 1:1 training from a qualified travel trainer
- focusing on your individual strengths and weaknesses
- teaching you the skills you need to travel safely on your own
- a planned route that gets you to your destination safely

Provide workshops on:

- Mental Health Support
- Standing out for Employment
- Money Management
- Self-awareness and confidence
- Public speaking and Presentation
- Understanding Your Rights as an Employee
- Leadership and Goal Setting
- Tailored SEND workshops

Solihull FRAME Academy

Provide young people an opportunity to gain new transferable skills, earn a qualification and learn what is required in a working environment.

On completion students will attain a MIAS Level 1 bike maintenance accreditation and have potential to work towards a Level 2 on completion
