

## Skills for Success Overview

### Overview

- Your School, College or Support network may have referred you to Skills for Success to access support with;
  - Understanding Career Pathways and Choices.
  - Support with application forms
  - Developing skills for next steps including college, apprenticeships, or employment.
  - Transitions
- Exclusive Opportunities to engage with
  - Frame Academy**- 6-week practical workshop where you obtain a Level 1 qualification in bike maintenance.
  - Independent Travel Training**

### What we need from You

- We will ask you for a signature to confirm that you agree with enrolling onto the project
- Email and Contact Number which we will use to make contact with you. This can be your Parent/Carers if you prefer
- Passport/Birth Certificate No. WHY? This is to prove your right to work in the UK.
- To progress, we may ask you to complete tasks in your own time. For example, to begin your CV or complete research on job roles, watch a video on Youtube or listen to a podcast etc.
- Your enthusiasm and willingness to engage with the project!

### Expectations from Skills for Success

- You will be supported by Iesha Mohammed or Devene Turner (School Employability Advisors) who will;
  - Initially meet with you either face to face or virtually to complete a registration form and initial needs assessment where we will develop a plan of support.
  - We will deliver workshops and commit to seeking new opportunities for you
  - We will dedicate our time to getting to know you and supporting you with your next steps
