

Workshops Menu

Skills for Success

We propose delivery of **six** workshop sessions within schools. Some examples of support that we have been offering includes but is not limited to the options below.

We would recommend a selection of core workshops from the menu below, together with a session delivered by one our partner organisations, followed up by a drop-in session where your Schools Employability Adviser will carry out 1:1 tailored support for those students who would benefit most.

Apprenticeships

Application Writing

**Transitions to Further Education,
Training and Employment**

**Mental wellbeing, resilience and
overcoming anxiety**

**Raising Aspirations – Career &
Skills Matching**

**Professional Behaviours
Coaching**
