

# WHERE CAN PHYSICAL EDUCATION TAKE YOU?

There are lots of reasons to enjoy Physical Education...

Getting healthy | Staying healthy

Competition planning | Strategy

Physical activity | Learning about the body

Did you know there are apprenticeships that utilise these skills?

## GET PHYSICAL

**ABLE SEAFARERS** travel the world, work with lots of cultures and do a physically demanding job that includes rope work, anchoring and mooring activities

**LIVE EVENT RIGGERS** work in a high-pressure environment that can be very physically demanding, it could involve working at height and in a diverse range of environments

## GET MEDICAL

**ASSOCIATE AMBULANCE PRACTITIONERS** put that knowledge of physiology to good use everyday – expect variety!

**HEALTHCARE ASSISTANT PRACTITIONERS** can specialise in a variety of areas including physiotherapy

## GET LEADING

**ASSOCIATE PROJECT MANAGERS** analyse and evaluate performance in order to get better results

**TEAM LEADERS / SUPERVISORS** lead teams and motivate and support individuals towards a focused objective

Other apprenticeships you might be interested in: *HM Forces Serviceperson, Golf Greenkeeper, Sports Turf Operative and Operations/Departmental Manager (with more and more coming)*
